

IRAN

Beyond the Crisis: Society, Power, and the Choices Ahead

2 days, 4 speakers, 8 presentations:

October 1 & 2

- Who are Iranians? How have their culture, history and politics changed over generations, and how do they shape public life?
- Who wields power inside the Islamic Republic, and how does it affect Iranian civil society?
- How could policy choices by Iran, the United States, Israel, Gulf states, Russia, China, and other actors move the region toward escalating conflict, or a less dangerous equilibrium?

Thursday 5pm - 6:45

Friday 10am - 4:45
